

DECLARATION

The above information is true to the best of my knowledge. I agree to abide by the rules and regulation governing the Faculty Development Training Programme. If selected, I shall attend the programme for the entire duration. I also undertake the responsibility to inform the coordinator in advance if I am unable to attend the course.

Date:

Place:

Signature of the Participant

SPONSORSHIP

Mr. / Ms. / Dr. is an employee of our Institution and is hereby sponsored for the above Faculty Development Training Programme. He / She will be permitted to attend the program, if selected.

Signature of the Sponsoring
Authority with seal

ORGANIZING COMMITTEE

Chief Patron :

MJF. Ln. Leo Muthu, Founder Chairman,
Sairam Group of Institutions.

Patrons :

Sri. Sai Prakash Leo Muthu,
CEO, Sairam Group of Institutions

Chair :

Dr. C.V. Jayakumar
Principal, Sri Sairam Engineering College

Co-Chair :

Dr. A. Rajendra Prasad
HOD / Dean (R&D), Mechanical Engineering

Co-ordinators :

Dr. L. Saravana Kumar, Asso. Prof./Mech
Mr. G. Ramakrishnan, Asso. Prof./Mech.

Executive Members :

Dr. Gyan Arora
Dr. S. Ramachandran
Prof. M. Suresh
Dr. C. Elanchezhian
Dr. B. Vijaya Ramnath
Dr. K. Venkataraman
Ms. A. Dhanalakshmi
Mr. G. Swaminathan
Mr. M.C. Anand Chakravarthy
Mr. T. Babu

Venue : Smart Class Room - II

Important dates:

Last date for registration : 23/11/2017

Intimation of selection : 25/11/2017

Address for Communication

THE INSTITUTION

Sri Sairam Engineering College, an ISO 9001:2008 certified and NBA accredited institution, is established by a philanthropist MJF. Ln. Leo Muthu in the year 1995. The college offers Under Graduate, Post Graduate courses in Engineering, Technology, Management and Computer Applications. A well-defined vision, highly committed mission and dedicated leadership facilitate Sri Sairam Engineering College to be in the best of educational institutions in India. With the motto "prosperity through quality education", the institution disseminates knowledge and entrepreneurship skills among the students and strives to achieve academic excellence.

ABOUT THE DEPARTMENT

Established in the year 1995, the Department of Mechanical Engineering has excelled in its infrastructural facilities keeping pace with the latest development in technologies. The department is accredited by the National board of accreditation and is backed by professionally experienced and highly qualified faculty and supporting staff. More than 720 students have enrolled in the Mechanical Engineering branch. The department has been producing excellent results with distinctions and University ranks in the Anna University exams consistently and has an enviable placement record.

The Association of mechanical engineering has been regularly conducting seminars, workshops and guest lectures by eminent personalities in various fields of mechanical engineering. CII-AICTE survey of industry linked technical institutions 2015 has placed the Department of Mechanical Engineering in the first position at all India level. The Department has well developed laboratories equipped with latest equipment.

ABOUT THE PROGRAMME

The rapid growth of automobile industries in the country, increased the demand for skilled professionals in Automobile Engineering. This programme is intended to provide opportunity to faculty members, industry personnel and researchers working in engineering institutions to enhance their knowledge and to keep updated

with the latest technological developments in the field of Automobile engineering related to vehicle subsystems.

The primary focus of the program is to give a wide exposure in vehicle subsystems such as engine auxiliary systems, transmission systems and advancement in steering systems. Besides, it covers the trends in alternative fuels used in the automobiles with emission norms for the benefit of the participants. It will also cover the fundamentals and latest technologies existing in the field of Automobile Engineering, such as Vehicle structure design, vehicle dynamics and smart materials. This program will equip the participants to evaluate the performance of the vehicle subsystems using advanced tools and techniques.

COURSE COVERAGE

- Vehicle Structure and engines.
- Engine Auxiliary Systems
- Transmission Systems
- Steering, Brakes and Suspension Systems
- Alternative Energy Sources

RESOURCE PERSON

Sessions will be handled by experts from leading Institutions like IIT, Anna University, Industries and experienced faculty members of our institution.

REGISTRATION DETAILS

- No registration fee for the participants. Admission is restricted only to 25 participants.
- Selection will be based on first come first serve basis.
- Send the completed application form to the address before due date.
- No TA/DA will be provided. Accommodation will be provided only to the outstation participants on prior request and payment basis.
