INSTITUTIONS

ABOUT THE INSTITUTION

Sri Sairam Engineering College, Chennai was established in the year 1995 by Philanthropist, Educationist and Industrialist, M.J. Ln. Leo Muthu, Chairman of Sapthagiri Educational Trust, a non-profitable, and non-minority institution. The college is situated among sylvan surroundings in an area of more than 100 acres at Sai Leo Nagar, near the Kishkinta amusement park. The college offers eleven B.E./B.Tech., Undergraduate Degree programmes and six Post Graduate Degree programmes. The College is ISO 9001:2015 certified, NBA, NIRF, ARIIA ranked and NAAC 'A+' accredited, an Autonomous Institution affiliated to Anna University and approved by All India Council for Technical Institution. The Institution has well established infrastructure facilities, well equipped laboratory, Fully Air-conditioned College Library, and state of the art Indoor stadium with seating capacity of more than 5000 people. A well-defined vision, highly committed mission and dedicated leadership facilitate Sri Sairam Engineering College to be one of the best educational institutions in the country.

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering has been established in the year 1995. The Department is accredited by NBA and CII-AICTE survey of industry linked technical Institutions has placed the Department of Mechanical Engineering in the first position at all India level 2020 and 2015. Students are encouraged to actively participate in professional society activities in which real time All-Terrain vehicles are fabricated through events like BAJA, EBAJA, EFFICYCLE, SOLARIS, SUPRA, GOKART, E-Bike and able to win many prizes.

OBJECTIVES OF THE FDP

This Faculty Development Program is conducted with the aim of imparting the knowledge gained by the experts through experience and research works in hydraulics and pneumatics fields. The subject Hydraulics and Pneumatics is taught at UG level in all the Engineering colleges for Mechanical students all over India through various Universities. Experienced faculty members also can gain knowledge in the subject.

TOPICS:

This FDP covers :

- Fluid power principles and hydraulic pumps.
- Hydraulic actuators and control components.
- Hydraulic circuits and systems.
- Pneumatic and electro pneumatic systems.
- Trouble shooting and applications and Low cost automation.

RESOURCE PERSONS:

Experts from IIT's, NIT's, Anna University and Industries will conduct the theory and practical sessions in the programme.

ELIGIBILITY TO PARTICIPATE:

Faculty members and research scholars belonging to AICTE approved technical Institutions , Universities and industry persons can participate in the programme.

REGISTRATION DETAILS:

- No Registration Fee
- Last date for Registration : **29-01-2021**
- Intimation of Confirmation : **30-01-2021**

E certificate will be given to all the participant

Note: Participants should have minimum 80 % attendance to get E-certificate.
